The ideas of Bharat Ratna Dr. Bhimrao Ramji Ambedkar, the architect of the Constitution of India, have always been distorted by the people involved in the left and minority alliance and the Congress due to their personal interests. They always presented Babasaheb as a leader of the downtrodden and Dalits. They tried to portray him as if he nowhere contributed to the upliftment and development of the country. Today these separatists want to spread unrest in the country on the pretext of a Dalit-Muslim alliance. Realising these things, Dr. Ambedkar talked about the complete transfer of the Hindu and Muslim populations in the event of the partition of the country in 1940. He gave the Constitution to the country which is still protecting the integrity and unity of the country. He opposed Article 370 in the Constitution but it was added because of Nehru's love for a particular community. As a research student of economics, he gave the idea of the Reserve Bank of India and the Finance Commission. As the Law Minister of the country, he prepared the Hindu Code Bill, paved the way for women's empowerment and the right of women to inherit ancestral property.
